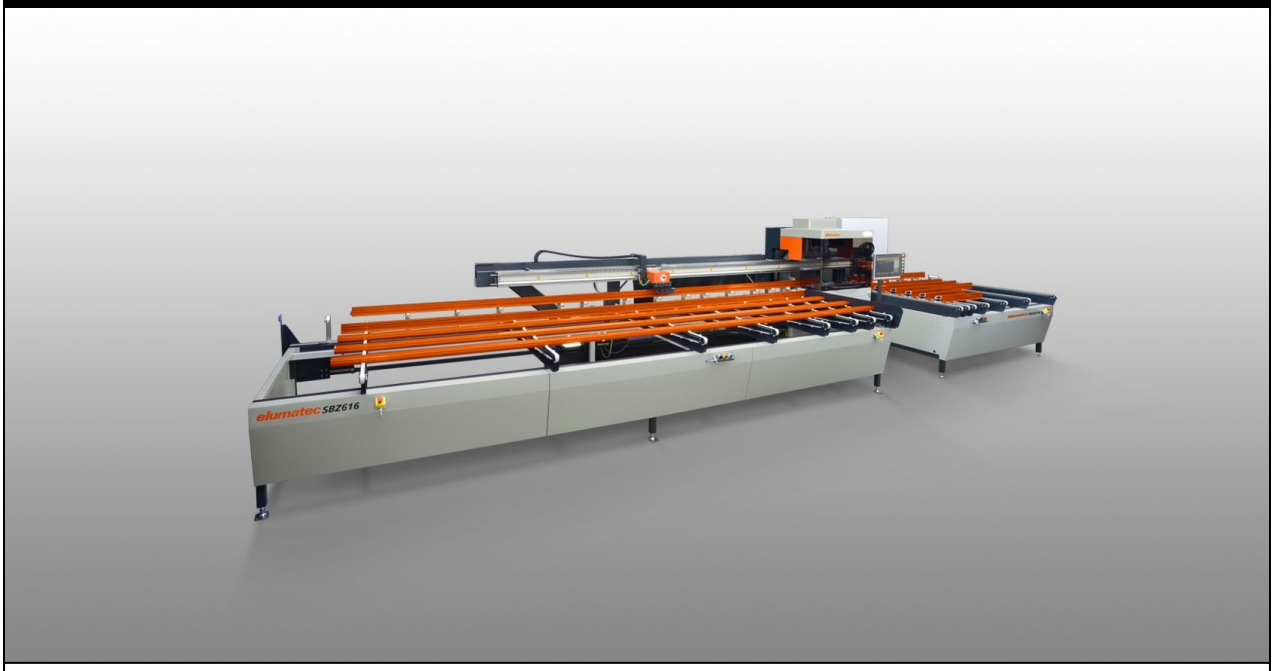
THROUGH FEED SAWING CENTERS



Automatic saw for aluminium profiles

- Loading magazine for up to nine profiles
- Lifting function for cycling the magazine compartments
- In- and outfeed gripper with motorised, continuously adjustable gripper jaw
- Rubberised gripper jaws prevent profile damage
- Hydro-pneumatic saw feed
- Pulsed coolant system
- Outfeed for parts using a belt conveyor, plus lifting function for outfeed of the finished profiles with no impact on the automatic process.

Options

- Label printer
