HT

ASSEMBLY TABLES

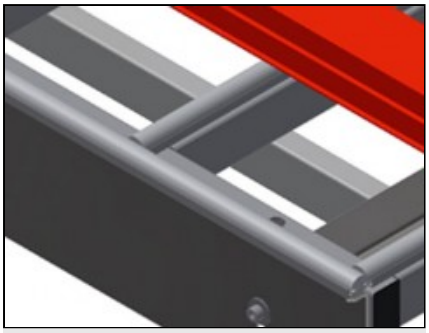

HT 1000 / HT 2000 / HT 3000: Horizontal table for all work tasks on frames and sashes. Stable steel construction. Table supporting surface with plastic slide bars. Storage tray for setting down tools and accessories. Adjustable height. Simple installation with a modular system design.
HT 1000E / HT 2000E / HT 3000E: Modular work table for a production line (basic module). Stable steel construction. Universal system of work tables for lines with a continuous production flow. Modular system: basic module + additional module. Add-on elements for individualised expansion. Additional modules are easy to install. Versatile work table for all applications: for example, as an individual table in the production flow, as an in-line workstation for assembly work, as a work table for gasket insertion, for the post-processing of special-order production items or as a buffer zone. Table supporting surface with plastic slide bars. Adjustable height. Simple installation with a modular system design.
HT 2045L / HT 2045R: Horizontal table for all work tasks on frames and sashes. Stable steel construction. Angled work table; can be used as a pass-through in the production line or as a buffer zone. Assembly table for all work tasks on frames and sashes. Table supporting surface with plastic slide bars. Storage tray for setting down tools and accessories. Adjustable height. Simple installation with a modular system design.
