Glass transport trolley GFW 1200

Glass transport trolley GFW 1200

With glass panes

Castors

Four casters, two of which have a fixing brake, provide a high degree of mobility and easy, safe handling

Compartment divider with plastic protection

Compartment dividers height is adjustable. All supporting surfaces have a non-slip PVC cladding which protects sheets of glass from damage during storage

Easy loading and unloading

Well-organised storage provides quick access

Rear support with rubber strips

Rear supporting surfaces equipped with rubber strips protect sheets of glass from damage

**Wooden supporting surface with felt**

Lower supporting surface covered with felt. Additional plastic strips on the floor
