Profile transport trolleys

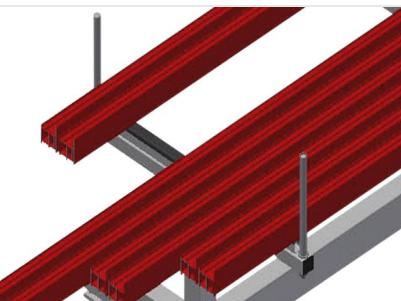

Trolley for storage and transportation of profiles

- Stable steel construction
- Trolley for transportation and storage of profile bars before and after cutting
- Well-organised storage provides quick access
- Ideal transportation option for curtain wall construction
- The trolley can also be used as a mobile intermediate storage area, for example, before moving onward to the double mitre saw or machining centre
- Profile support arms can be adjusted
- Profile supports with rubber surface
- Four castors, two of which have a fixing brake

**Profile transport trolley
PLW 4000****Casters**

Four casters, two of which have a fixing brake, provide a high degree of mobility and easy, safe handling

**Supporting surfaces**

Supporting surfaces clad with rubber protect profiles from damage

**Guards with plastic
protector**

Vertical guards with plastic protectors protect the profiles from damage and prevent them from slipping off

**Profile support**

Profile supports can be adjusted
